Withdrawing funds from your account

You should use this form if you wish to withdraw funds from your iDealing account for transfer to you. A minimum balance to cover transfer/closure/administration fees must be maintained on your account, therefore the amount paid to you may be less than that requested. Please complete the details below (joint a/c's require both signatures) – ensuring that you tick the relevant box for:

- the account type you wish funds to be **debited** from.
- the method of transfer to you – i.e. whether you wish us to send an electronic payment by BACS or CHAPS or payment by cheque. (Cheques are sent to your registered address and may be subject to postal delay and/or loss.)

This form should be sent to the address above, or alternatively our freepost address: Freepost, IDEALING.COM LTD. Please note that Freepost addressed mail sometimes has longer delivery times.

A cheque will only be made payable to the account holders(s), or to the account holder's registered designated bank account in the case of a BACS or CHAPS payment. We are unable to make payments to a third party. Payment out instructions may carry a fee. Please see our Terms and Conditions and Services and Prices on our website for details.

By signing below, you confirm that you have read, understood and accept our Terms and Conditions and Services and Prices found on our website: www.iDealing.com.

Important: Please do not amend or modify this form in any way or it may be rejected.
